About the Conference

The 4th International Conference on Communication, Computing and Electronics Systems (ICCCES 2022) on September 15-16, 2022 is innovative program that primarily focuses on recent advances in the research and development of electronics and computing with a particular focus on their significant role in elevating the innovations in digital engineering level. ICCCES 2022 aims to bring together the leading academicians, researchers, industrialists and research scholars to exchange and share their research ideas and results about all aspect of electronics, computing and communication systems. The conference also aims to provide an unprecedented interdisciplinary platform for scientist, engineers and researchers in the domain of interest to present their latest research ideas, developments, practical applications and results in all areas of computing, electronics and communication systems.

About the College

In Coimbatore, the City famous for its Hospitality and Culture, P.Perichi Gounder Memorial Education and Charitable Trust (PPG Trust), a renowned, benevolent, Charitable, educational trust was established in the year 1992 by Dr.L.P.Thangavelu, M.S., a leading laparoscopic surgeon . It is an institution par excellence rendering yeomen service catering to the needs of budding youth and under-privileged. The founder-chairman Dr.L.P.Thangavelu being the visionary and erudite educationist has encrypted in the DNA of the institution the poise to evolve into a paragon of perfection and excellence. With the able support of his wife Mrs.Shanthi Thangavelu as the Trustee the institutions under the banner of PPG are making strides in achieving and accumulating accolades and laurels.
