

ABOUT THE CONFERENCE

International Conference on Communication, Computing and Electronics Systems (ICCCES 2019) on Nov 15-16, 2019 is innovative program that primarily focuses on recent advances in the research and development of electronics and computing with a particular focus on their significant role in elevating the innovations in digital engineering level. ICCCES 2019 aims to bring together the leading academicians, researchers, industrialists and research scholars to exchange and share their research ideas and results about all aspect of electronics, computing and communication systems. The conference also aims to provide an unprecedented interdisciplinary platform for scientist, engineers and researchers in the domain of interest to present their latest research ideas, developments, practical applications and results in all areas of computing, electronics and communication systems.

ABOUT THE COLLEGE

PPG Institute of Technology, (PPGIT), a flag ship institution conceived in the year 2008 and established under the aegis of renowned P. Perichi Gounder Memorial Education and Charitable Trust (PPG Trust), Coimbatore, with the motive of imparting value education par excellence, is the brain child of Dr. L. P.

Thangavelu, M.S. PPGIT is an AICTE (New Delhi) approved institution affiliated to Anna University. The College bestows an erudite atmosphere crafted with ethics and ethos of Indian culture. With excellent facilities and state-of-the-art infrastructure the college is all geared up to perform and progress. Apart from grooming and equipping the students to be industry ready it inculcates in them value and vision. PPGIT has a band of highly qualified, eminent, committed and dedicated faculty with vast knowledge and experience who take personal interest in the development and molding of each student.

CALL FOR PAPERS

Electronics Systems

- Virtual Reality
- Robotics
- Automation Systems
- Micro Electronics
- Semiconductor Devices
- Opto Electronics
- Computer and Control Systems
- Wavelets & Applications
- Multi Carrier Modulation
- MIMO Systems
- Electromagnetics Engineering
- RF Circuit Design

Communication Systems

- Data Communication and Computer Networking
- Cryptography Applications
- High Speed Networks
- Mobile Networks & Wireless LAN
- Optical Networking
- Network Based Applications
- Network Security
- Internet of Things
- Next Generation Web Applications
- Recent Trends in Computer Networks
- Wireless Sensor and Adhoc Network
- Intrusion Detection/Prevention Techniques

Computing and Applications

- Artificial Intelligence
- Big Data Analysis, Security Issues in Big Data
- Cloud / Grid / Distributed Computing
- Cognitive Science
- Data & Knowledge Engineering
- Evolutionary Optimization
- Information Theoretic Learning
- Sustainable Computing
- Human-Computer Interaction

ORGANIZING COMMITTEE

Chief Patron:

Dr. R. Prakasam,
Principal, PPG Institute of Technology,
Coimbatore, India.

Conference Chair:

Dr. V. Bindhu,
Professor and Head, ECE, PPG Institute of
Technology,
Coimbatore, India.

KEY NOTE SPEAKER

Dr. Joy Chen,
Department Electrical Engineering,
Da- Yeh University,
Taiwan.

Dr. Joao manuvél R. S. Tavares,
Faculty of Engineering,
University of Porto (FEUP),
Portugal.

SUBMISSION PROCEDURE

Submit paper through mail to
iccces2019@gmail.com
Springer Paper Template available in
